FOR IMMEDIATE RELEASE

Exhibit 99.1

HV Bancorp, Inc. Announces Common Stock Repurchase Program

(April 19, 2019) – Huntingdon Valley, PA – HV Bancorp, Inc., (NASDAQ: HVBC) announced today that the Board of Directors approved a plan to repurchase, in open market and privately negotiated transactions, up to 100,000 shares of the Corporation’s outstanding common stock, which may be adjusted for future stock dividends, stock splits or other similar transactions. The Corporation believes the repurchase of its stock may increase the return on equity and the net income per share of the remaining outstanding shares of common stock and enhance long-term shareholder value. The purchases are funded with liquidity based on capital levels in excess of regulatory requirements. These stock repurchases are not expected to have a material impact on capital levels due to the consistent nature of the buyback plans. The specific prices, numbers of shares and timing of purchase transactions will be determined by the Corporation from time to time in its sole discretion.
